**TLI41318 Certificate IV in Transport and
Logistics (Road Transport - Heavy Vehicle
Driving Instruction)**

Release 1

TLI41318 Certificate IV in Transport and Logistics (Road Transport - Heavy Vehicle Driving Instruction)

Modification History

Release 1. This is a new release of this qualification in the TLI Transport and Logistics Training Package.

Qualification Description

This is a qualification for those engaged in heavy vehicle driving instructor job roles within the Transport and Logistics Industry.

It includes the performance of a broad range of skilled applications including requirements to evaluate and analyse current practices, to develop new criteria and procedures for performing current practices, and to provide some leadership and guidance to others in applying skills and planning skill development.

This qualification is currently cited as meeting part of the requirements for certification as a Heavy Vehicle Driving Instructor, as defined by relevant state/territory licensing and regulatory requirements.

Entry Requirements

There are no entry requirements for this qualification.
